About Hinduja Ventures Limited (www.hindujaventures.com)

Hinduja Ventures Limited ('HVL') is the Holding Company of one of India's largest integrated media companies i.e. **IndusInd Media & Communications Limited ('IMCL')**. IMCL is gearing up to meet the requirements for the Phase III & IV digitalization programme of the Government of India. While it has stabilized operations in the Phase I & II digitalization areas, the next significant growth will be through expansion in the Phase III & IV markets. With its expansion plan in place, the Company is looking at a significant growth in its customer base in the current year.

GRANT INVESTRADE LIMITED ('GIL')-HITS PROJECT

With respect to the "Headend-In-the-Sky" project embarked upon by GIL, the project was formally launched on 16th September, 2015 by the Minister of Information & Broadcasting, Government of India. The services offered by GIL have been branded as "NXT Digital".

The Company is now in the process of having the set top boxes and the cable operators' premises equipment being distributed. Broadcaster agreements are in process of signing and the signals are already being transmitted. A complete organization structure required for marketing and technical support has been put in place along with a distribution and service network.

The Company therefore is on schedule to the deadline of 31st December, 2015 for digitalization set by the Central Government.

INDUSIND MEDIA & COMMUNICATIONS LIMITED (IMCL):

IMCL along with its subsidiaries has geared itself for the expansion in the Phase III markets for digitalization. The Company is now in the process of distributing the set top boxes. The entire expansion will have the backend support from the HITS platform set up by its associate company, Grant Investrade Limited. This reduces significantly the capex which IMCL would otherwise have to invest in for the expansion.
